WORKSHOP FORMAT FOR YPO CHAPTER MANAGERS

Operational AI Excellence

for Chapter Managers

Community resource by a YPO member · not official YPO material

AMBIDEXTRIE CONSULTING

THE PATH

Know. Reach. Persist. And a few simple rules.

AMBIDEXTRIE CONSULTING

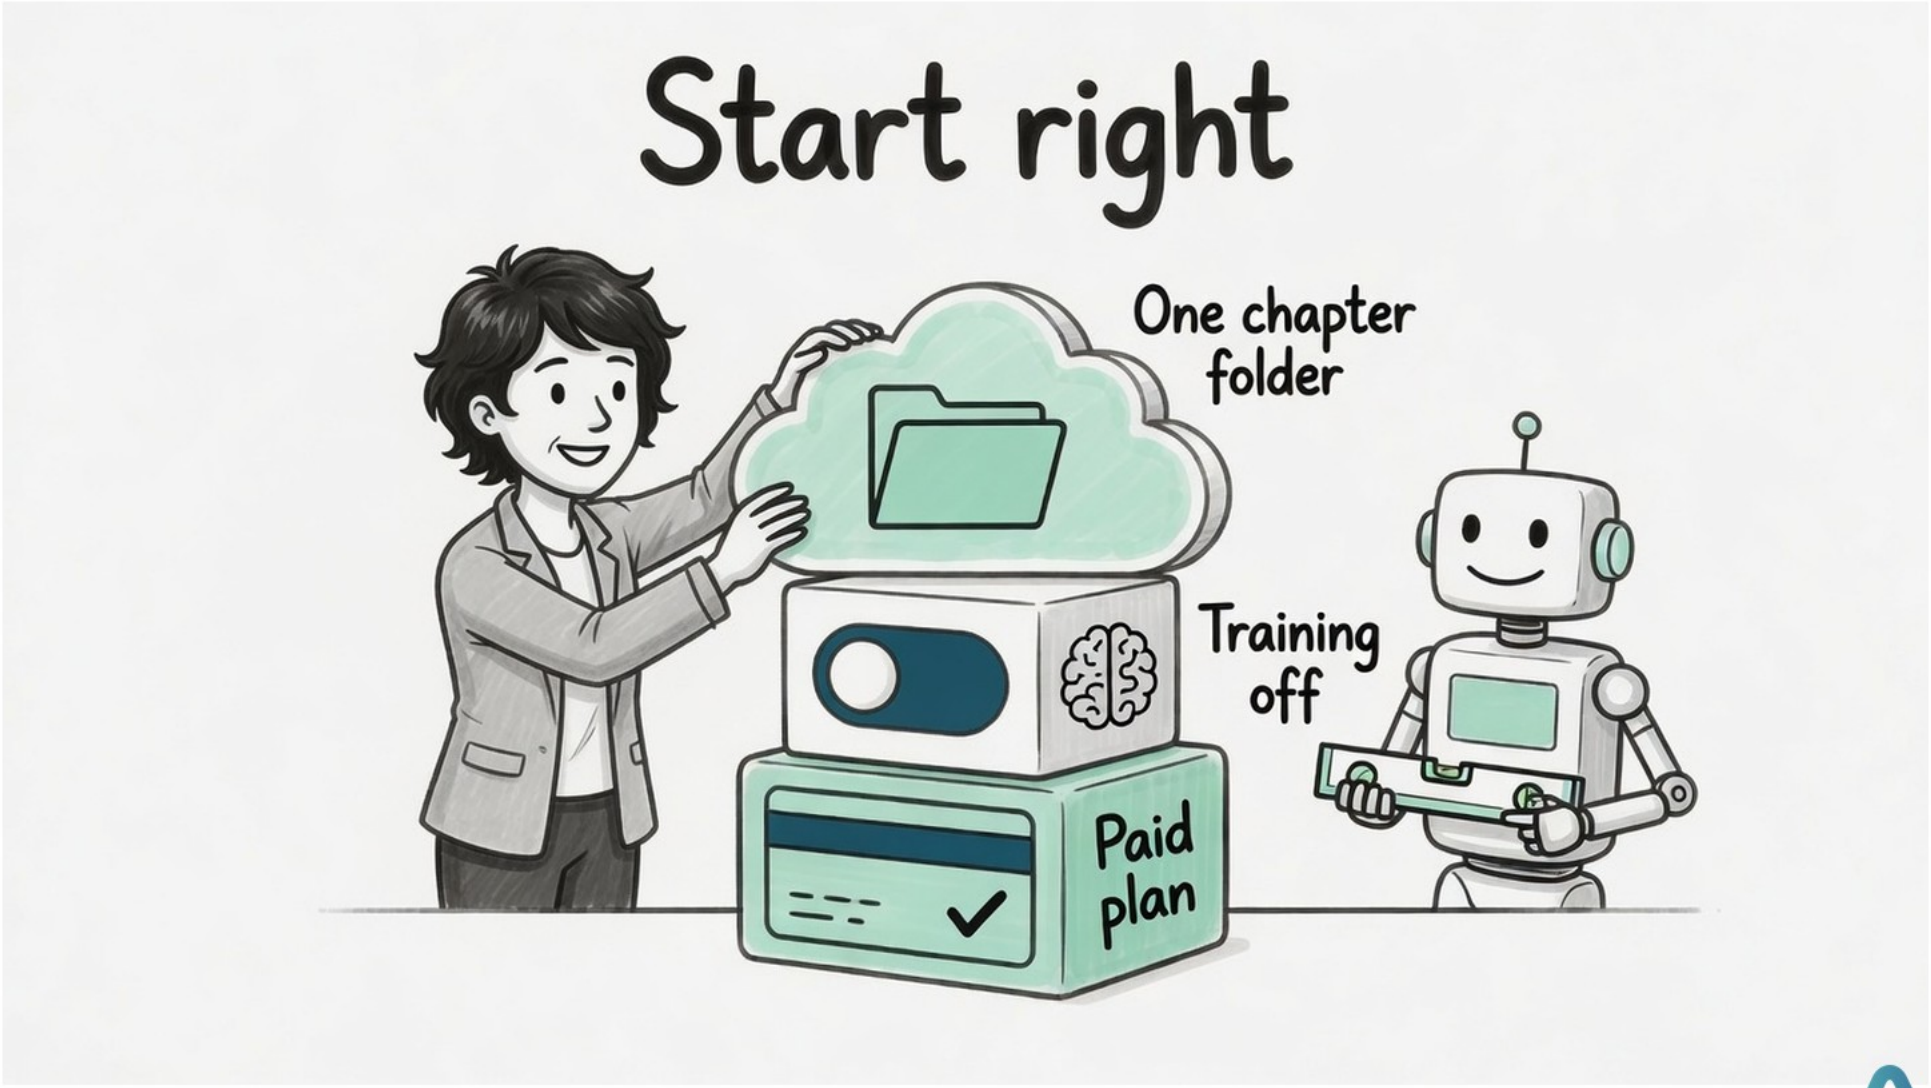

THE ONE IDEA

Officers rotate every year. The Chapter Manager stays.

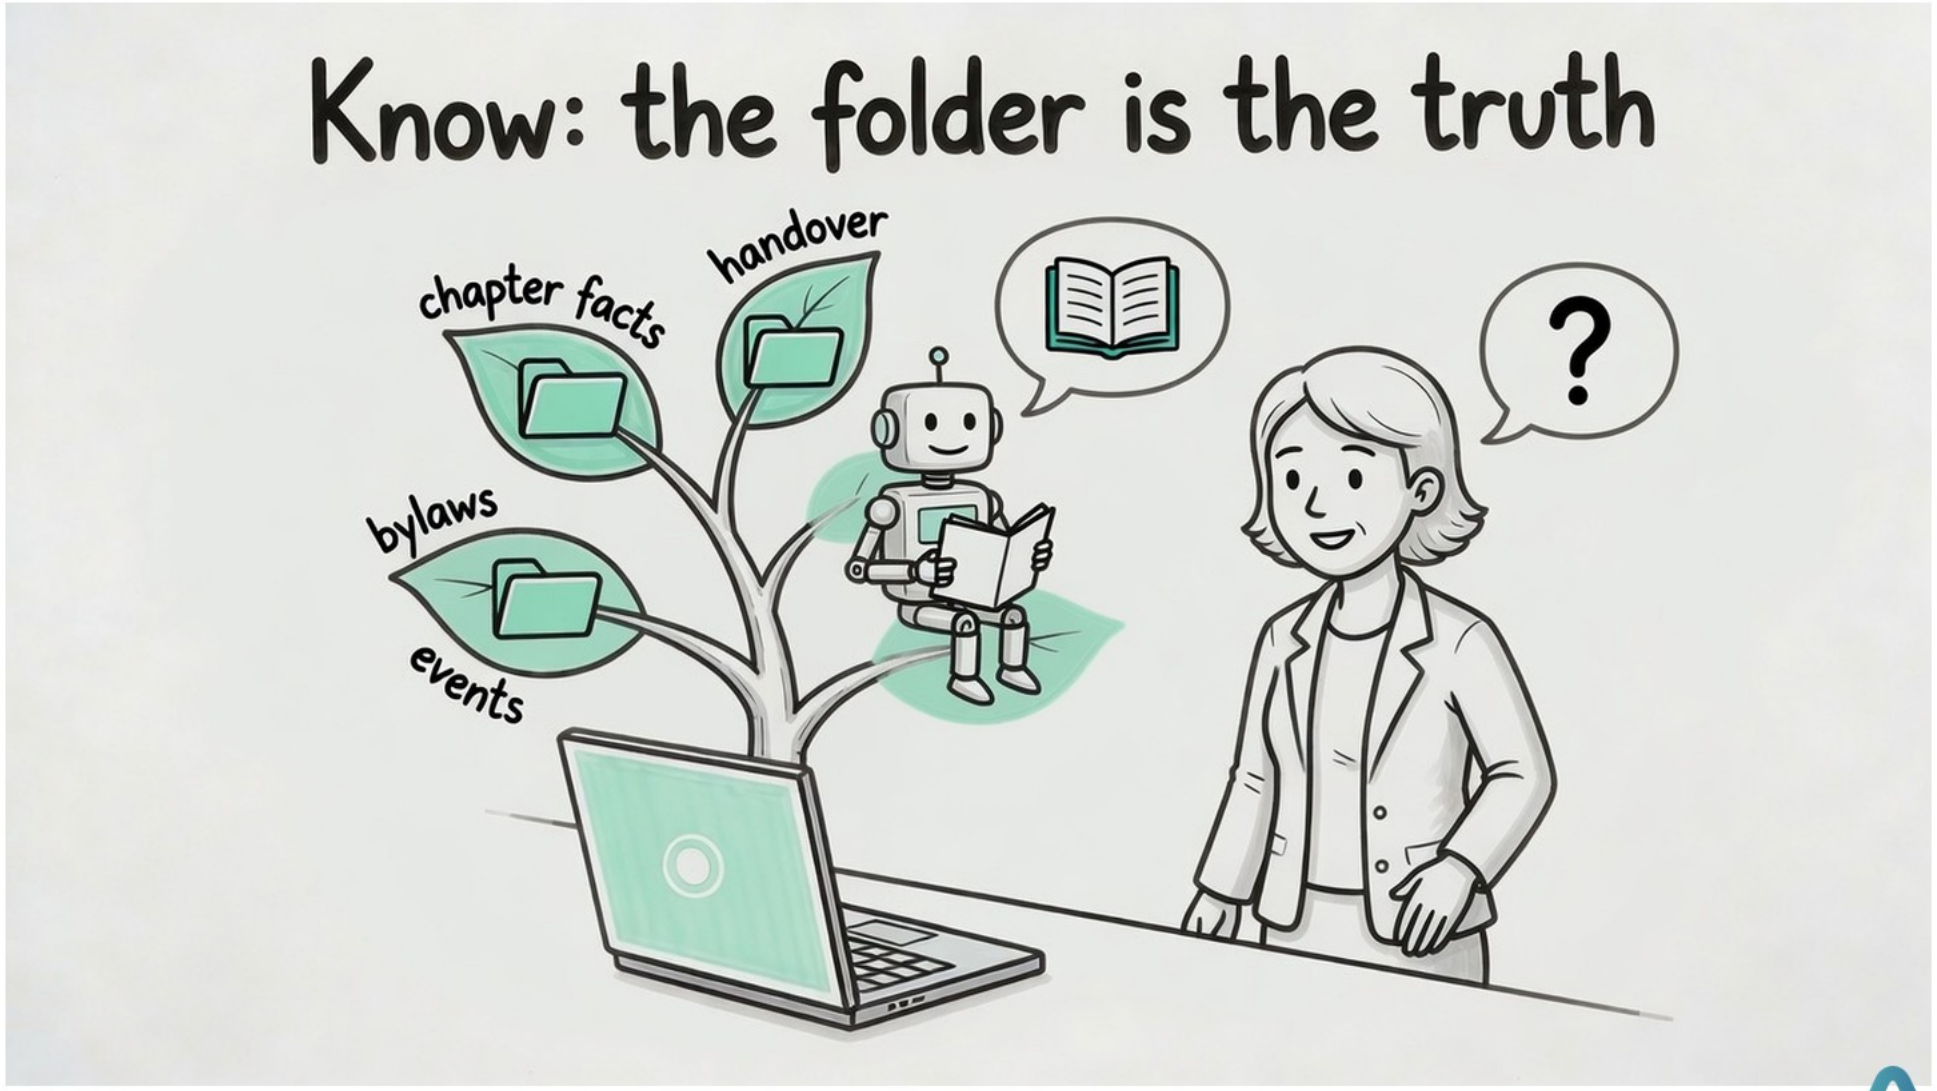

AMBIDEXTRIE CONSULTING

A paid plan, training off, the desktop app, one folder the chapter owns.

KNOW

Your assistant answers from your own files, not from memory.

AMBIDEXTRIE
CONSULTING

Mail in, filed, draft. You read it. You send it.

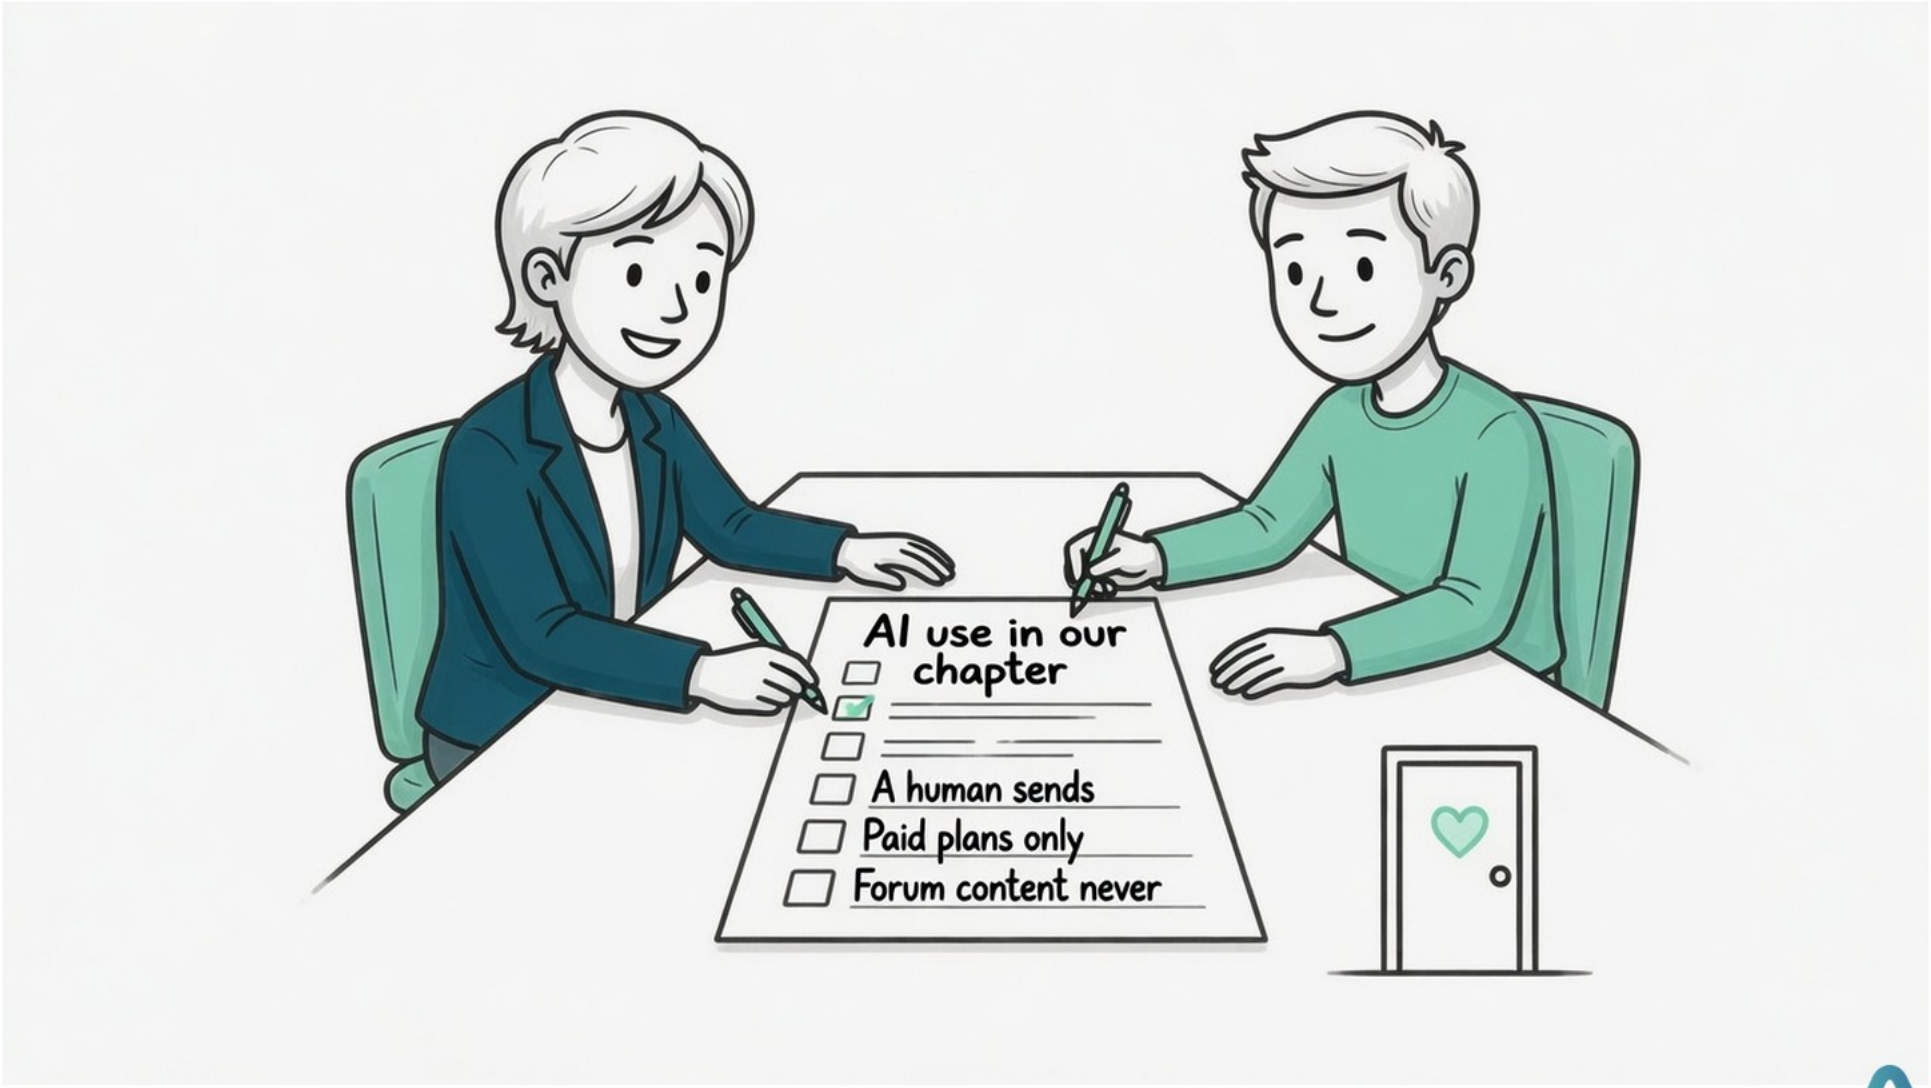

A new officer asks. The folder answers.

THE CHAPTER'S RULES

One page, decided together with your chair.

AMBIDEXTRIE CONSULTING

Your method and your number. The chapter keeps its folder.

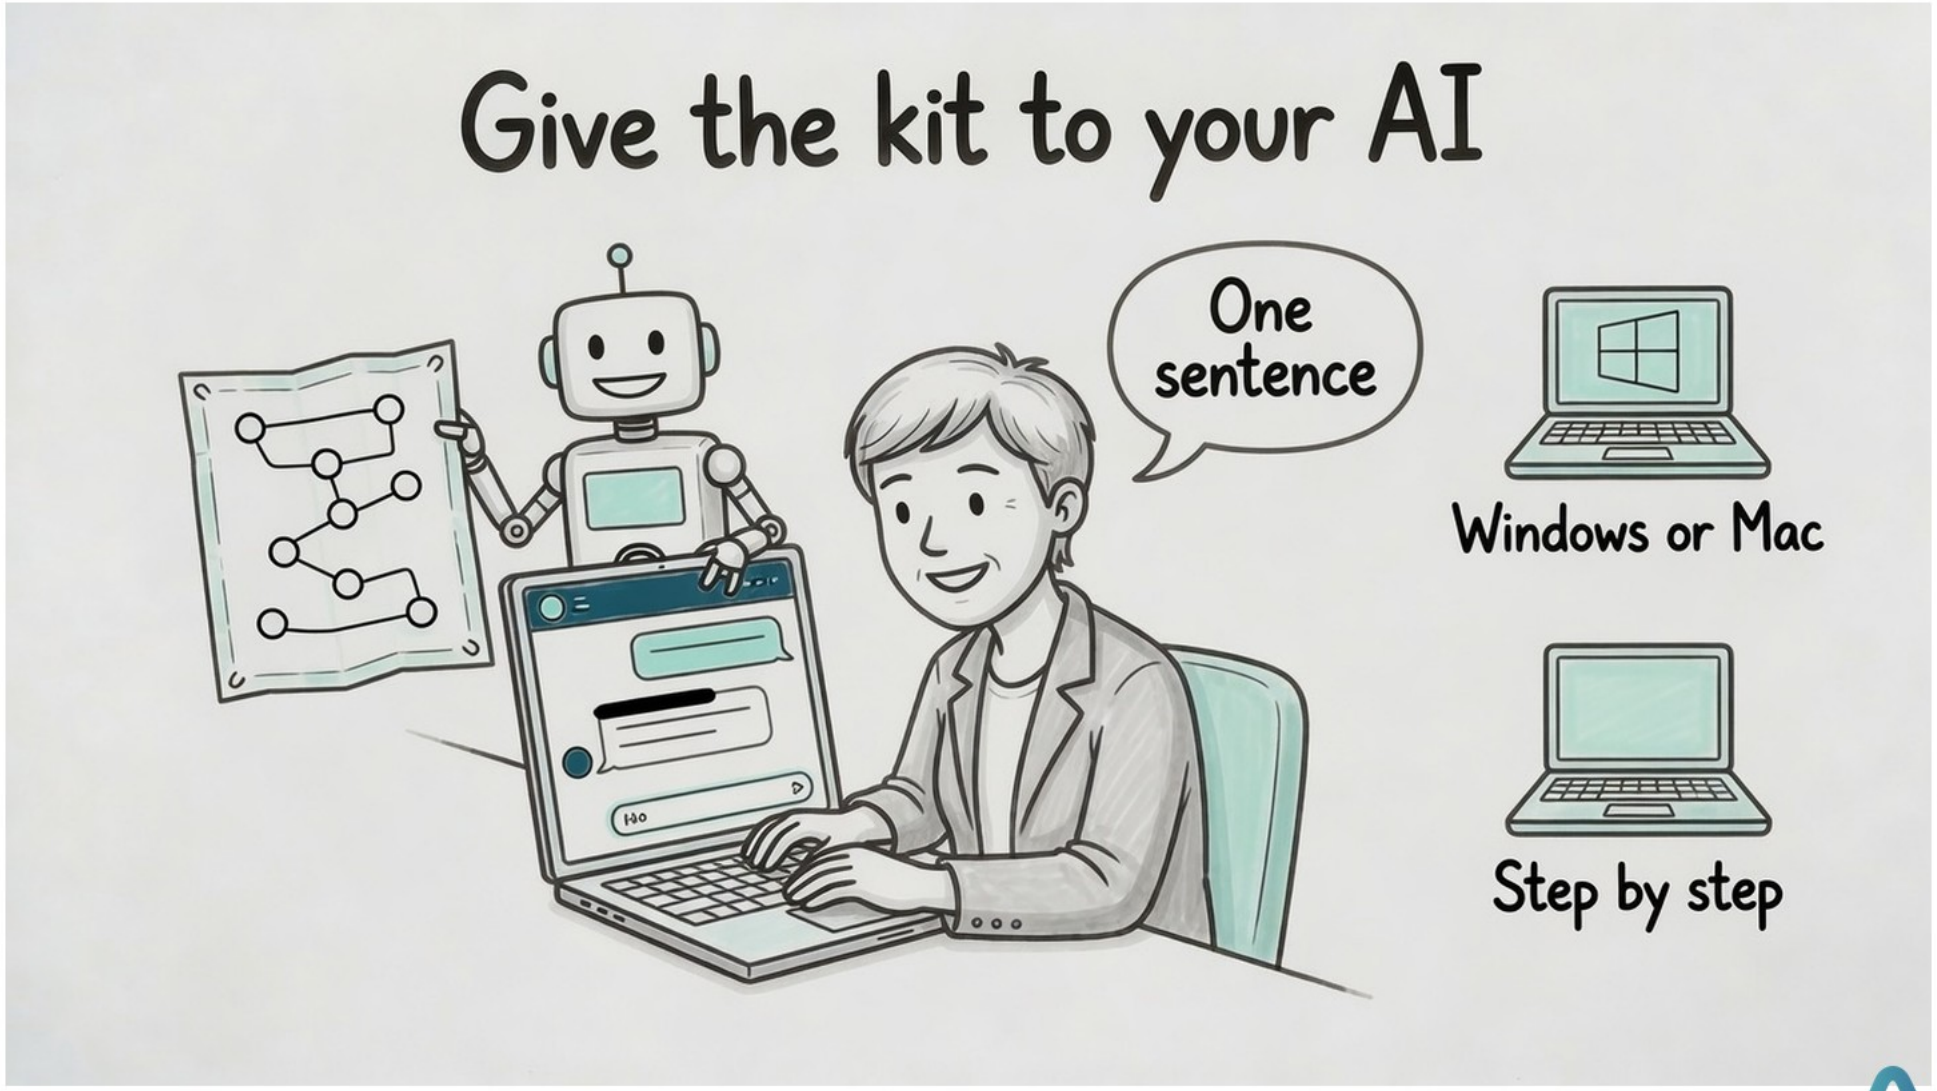

Your log tells you. Your assistant keeps it.

GET STARTED

Desktop app, one folder, one sentence. It guides you and saves your files.

AMBIDEXTRIE CONSULTING

YOUR NEXT STEP

One sentence, your AI does the rest.

Read AI-GUIDE.md and guide me step by step.
